Ausschanktemperatur	12 - 13° C
Artikelnummer	001004027513

Degustationsnotizen

One of the most revered appellations in France and indeed the world, Meursault is renowned for its idiosyncratic style of white Burgundy embodying elegance, fragrance and richness. This single-varietal Chardonnay is no exception, offering attractive notes of citrus fruits, honey and white flowers on the nose. Complex and profound on the palate with classy minerality, the finish is simultaneously fresh and rounded.
